[WWW.LAFRESOCCER.COM/CLUB](http://WWW.LAFRESOCCER.COM/CLUB)

Team Managers and Members,

We welcome you to participate in our Fall kick off Fundraiser, “BANNER UP”.

Our fundraiser is designed to benefit our patrons in multiple ways.

Firstly, the proceeds from all fundraising activities will go towards our “let them play” campaign. This campaign allows us to keep registration costs as stable as possible, award financial aid packages and scholarships, and make improvements to our facilities and equipment, ensuring we create environments that are player centric and cater to all that want to experience the wonders that soccer has to offer.

Secondly, the club will award 10% of all funds raised, back to the individual teams to help offset fees.

And thirdly, the teams with the most sales will receive bonus kickbacks including free tournament entry to a LFSC tournament, gift baskets, training pizza parties and other goodies.

- Banner Sponsor - \$1000 – displayed at a Louisiana Fire Field for 12 months. All printing costs and installation will be handled by the Louisiana Fire. Banner sponsors will also have their logo displayed in the newsletter and on the website.
- Newsletter/Website Sponsor - \$500 – logo displayed on the ‘sponsor page’ of our weekly newsletter that will be distributed club wide, once a week during the club soccer season (Fall and Spring).

Deadline for the BANNER UP fundraiser will be September 30.

Kindest Regards,

Nick Danna  
President  
LA Fire SC

Hubie Collins  
Executive Director of Coaching  
LA Fire SC

Dear Future Partner,

Soccer is known worldwide as the beautiful game, partially because of the teamwork required to be successful. The game of soccer provides life lessons, such as leadership, hard work, humility in success, and sportsmanship in defeat. It also encourages an active lifestyle, which has numerous benefits. It is truly an inclusive sport, played by almost 28% of all youths in the US (Aspen Institute).

At Louisiana Fire SC we believe in collaboration. We believe that to be a community club we must work with the local community. We believe that a club like ours can provide opportunities for our players and their families, as well as local businesses. As the largest non-profit soccer club in the Greater New Orleans area, our goal is to positively impact the youth of our community through soccer.

Our community is truly diverse. Our membership is as eclectic in ethnicity as it is in income disparity. We reach every corner of the Metropolitan New Orleans Area, and even further into southern Louisiana. Despite our successes, we know we can do more; we know there are still those that have very real barriers to participation. That is why we created the Let Them Play Campaign, to remove those barriers through scholarship awards, facility upgrades, and program expansions.

As a 501©3 we rely on our community partnerships and collaborations. Through our Let Them Play Campaign, we are committed to ensuring that everyone has the opportunity to play the beautiful game. With over 3500 participants our footprint offers a fantastic opportunity for businesses to expand their market reach. Our facility locations, foot traffic, and geographical reach make us an ideal partner for those looking to grow their business, whilst assisting with our philanthropic mission of “a pathway for all.”

We look forward to working with you.

Louisiana Fire SC
