### LAST WEEK AT THE FIRE

## News and Results

Last weekend saw first action for the majority of our teams at LFSC. Our Competitive Development program opened up with a Round Robin jamboree with the teams getting some valuable early experience.

13G Red and Coach David LeCompte started their season off with a division win at the STYSA Fall Classic. The team scored 11 goals over all their games and only conceded one goal. Keep it up girls!

2013 LPB Navy and Coach Scott McLaughlin also had a great showing at the STYSA Fall Classic winning a rain soaked final in PKS.

In early LCSL action 2012B Gold had a big 9-0 win over LA Krewe Rush.

## TEAM OF THE WEEK - 2013 LP NAVY BOYS

### STYSA FALL CLASSIC - U12 BOYS RED DIVISION CHAMPIONS

2013B Navy Fire LP is off to a strong start this season, with a 21-2 goal differential, average possession time of 60% in all games thus far, and a recent tournament run at 10-1 at STSYA this past weekend. The boys claimed the STSYA championship in a final that went to PK's, requiring three extra rounds to determine the winner. The final match was a very tight 1-1 battle that was interrupted by really strong winds and a thunderstorm that sent tents flying, created lots of mayhem and confusion; and the boys stayed focused energized and finished strong once play resumed. Congratulations to 2013 Navy Fire LP and Coach Scott McLaughlin on the early success and keep up the good work!

### PLAYER OF THE WEEK

## Liam Peters

### 2013 LP Navy Boys

Liam Peters is our Player of the Week after a standout performance in the STSYA Fall Classic for 2013 LP Navy Boys. Liam scored 4 goals in the tournament, including a great free kick. He celebrated in style with an amazing backflip...oh and scored his PK in the final shootout to go along with a hand full of assists!! Great work Liam

### NEW LAFRENIERE LIGHT PROJECT COMPLETE

Louisiana Fire Soccer Club is excited to announce the successful completion of its lighting project on Lafreniere Park Grass Fields 3, 4, and 5. This significant upgrade highlights the Club's unwavering commitment to enhancing youth sports and providing more opportunities for our community.

The project, which began in the Fall of 2023, involved extensive planning and collaboration with key stakeholders. Louisiana Fire Soccer Club presented the initiative to the Jefferson Parish Council and Lafreniere Park, aiming to elevate the quality of our soccer facilities with the addition of state-of-the-art LED lighting.

This new lighting not only improves the playing conditions but also extends the usability of the fields, allowing for more practice and game times. It is a testament to our dedication to fostering youth development and ensuring that our community has access to top-notch facilities.

A special Thank You to the following individuals and organizations whose support was instrumental in bringing this project to fruition:

- Entergy for their generous contributions and support.
